

The Clarence IDA has one opening on the Board. Applications are available on the website. If you are interested, fill out an application and submit to the Town of Clarence Supervisor's Office or mail to the Clarence IDA. For an application, click on the Document drop down twice to open the Document Center page and click on the last topic which is the Board member application. You will need to print it, fill out and return. Any questions you can call 741-8935. Thank you.
